Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Hold Separate Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. Foster Company ("Foster") of Portec Rail Products, Inc. ("Portec") would violate Section 7 of the Clayton Act, 15 U.S.C. 18. The proposed Final Judgment, filed at the same time as the Complaint, requires Foster to divest Portec's entire rail joint operations (excluding some assets in the United Kingdom), including Portec's manufacturing facility located in Huntington, West Virginia and tangible and intangible assets associated with Portec's rail joints, as well as assets used to manufacture and sell certain other related and complementary products currently manufactured at the Huntington facility. The proposed Final Judgment requires that these assets be sold to Koppers Inc. v.

L.B. Foster Company, 415 Holiday Drive, Pittsburgh, Pennsylvania 15220, and Portec Rail Products, Inc., 900 Old Freeport Road, Pittsburgh, Pennsylvania 15238, Defendants.

Case: 1:10-cv-02115.

Assigned To: Urbina, Ricardo M.

Assign. Date: 12/14/2010.

Description: Antitrust.

Complaint

The United States of America ("United States"), acting under the direction of the Attorney General of the United States, brings this civil antitrust action against Defendants L.B. Foster Company ("Foster") and Portec Rail Products, Inc. ("Portec") to enjoin Foster's proposed acquisition of Portec and to obtain other equitable relief. The United States complains and alleges as follows:

I. Nature of the Action

1. On February 16, 2010, Foster and Portec entered into an Agreement and Plan of Merger ("Merger Agreement"). Pursuant to the Merger Agreement, on February 26, 2010, Foster made a cash tender offer to acquire all the outstanding shares of common stock of Portec for \$11.71 per share. On August 30, 2010, Foster increased its offer to \$11.80 per share. The transaction is valued at approximately \$114 million.

2. In the United States, Foster's proposed acquisition of Portec likely would substantially lessen competition in two separate product markets—bonded insulated rail joints ("bonded joints") and polyurethane-coated insulated rail joints ("poly joints"). Foster and Portec are virtually the only manufacturers of bonded joints in the United States and currently supply approximately 95 percent of the market. For many customers, Foster and Portec

are the only approved suppliers of these joints. In addition, Foster and Portec are two of only three suppliers of poly joints in the United States and currently supply approximately 54 percent of the market.

3. Elimination of the competition between Foster and Portec likely will result in Foster's ability to unilaterally raise prices of bonded joints and poly joints to most customers. The proposed acquisition also likely would reduce Foster's incentive to invest in innovation in bonded joints. In addition, by eliminating Portec as a supplier, the acquisition increases the likelihood of coordinated interaction between Foster and the other supplier of poly joints.

4. As a result, the proposed acquisition likely would substantially lessen competition in the development, manufacture, and sale of bonded joints and in the development, manufacture, and sale of poly joints in the United States, in violation of Section 7 of the Clayton Act, 15 U.S.C. 18.

II. The Defendants

5. Foster is incorporated in Pennsylvania and has its headquarters in Pittsburgh, Pennsylvania. It manufactures and distributes numerous products and services for the rail, construction, energy, and utility industries and has approximately 30 locations throughout the United States. For the rail industry, Foster manufactures, among other products, bonded joints, poly joints, tie plates, and rails. Foster had total revenues of approximately \$512 million in 2008 and approximately \$382 million in 2009.

6. Portec is incorporated in West Virginia and has its headquarters in Pittsburgh, Pennsylvania. Portec also manufactures and distributes numerous products and services for the rail industry and other industries. For the rail industry, Portec manufactures, among other things, bonded joints, poly joints, rail lubricators, end posts, and curv blocks. Portec has several locations in the United States and abroad. Portec had total revenues of approximately \$109 million in 2008 and approximately \$92.2 million in 2009.

III. Jurisdiction and Venue

7. The United States brings this action under Section 15 of the Clayton Act, 15 U.S.C. 4 and 25, as amended, to prevent and restrain Defendants from violating Section 7 of the Clayton Act, 15 U.S.C. 18.

8. Defendants develop, manufacture, and sell bonded joints, poly joints, and other products in the flow of interstate commerce. Defendants' activities in the

WHEREAS, on June 1, 2009, General Motors Corp. also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, General Motors Corp. excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, the United States, on behalf of EPA, has filed a proof of claim in the Bankruptcy Cases (Claim No. 64064) (the “**EPA Proof of Claim**”) against MLC, which includes claims and protective claims regarding, *inter alia*, the Priority Order Site;

WHEREAS, Wisconsin, on behalf of WDNR, has filed a proof of claim in the Bankruptcy Cases (Claim No. 44759) (the “**State Proof of Claim**”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, the United States, acting on behalf of EPA, and Wisconsin, acting on behalf of WDNR, contend that GM was required to conduct a remedial action pursuant to a Unilateral Administrative Order (“**UAO**”) issued by EPA to GM on May 6, 1991 under Section 106 of

CERCLA, 42 U.S.C. § 9606, to address the immediate health threats posed by volatile organic compounds (“VOCs”), toluene, ethylbenzene, xylenes, phthalates, antimony, barium, cadmium, chromium, copper, lead, mercury, nickel, zinc, 1,4 dichlorobenzene, 1,3 dichlorobenzene, iron, and manganese in the soil and groundwater at the Priority Order Site;

WHEREAS, the United States, on behalf of EPA, contends that MLC is liable for injunctive obligations and claims set forth in the EPA Proof of Claim;

WHEREAS, the United States alleges in the EPA Proof of Claim, that MLC’s injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the UAO;

WHEREAS, the United States also alleges in the EPA Proof of Claim, that MLC is obligated to reimburse the United States for past and future response actions and response costs incurred and to be incurred under CERCLA with respect to the Priority Order Site, plus interest;

WHEREAS, as of May 31, 2006, EPA had incurred approximately \$95,045 in unreimbursed response costs;

WHEREAS, in the State Proof of Claim, Wisconsin alleges that MLC is obligated to reimburse Wisconsin for future response actions and response costs to be incurred, plus interest;

WHEREAS, the parties hereto wish to resolve the Governments’ claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the EPA Proof of Claim and the State Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, "Plan") that incorporates this Wheeler Pit Settlement Agreement as a Priority Order Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the United States, Wisconsin, and MLC agree to the terms and provisions of this Wheeler Pit Settlement Agreement;

WHEREAS, settlement of the matters governed by this Wheeler Pit Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Wheeler Pit Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

The total cash distributions made by MLC to WDNR and EPA under this Wheeler Pit Settlement Agreement (and any net cash received by EPA upon sale of any non-cash distributions made by MLC pursuant to Paragraph 5) shall be credited by WDNR and EPA to their accounts for the Priority Order Site, which credit shall reduce the liability of non-settling potentially responsible parties for the Priority Order Site by the amount of the credit.

11. Treatment of Distributions. None of the distributions made by MLC under this Wheeler Pit Settlement Agreement constitute, nor shall they be construed as, forfeitures, fines, or penalties (or payments in lieu thereof), and nothing herein is intended, or shall be construed, as an admission by MLC of any facts or any violation of law. Notwithstanding the foregoing, MLC

agrees to comply with all terms of this Wheeler Pit Settlement Agreement upon the Agreement Effective Date.

IX. COVENANTS NOT TO SUE

12. With respect to the Priority Order Site (including the releases of Hazardous Substances from any portion of the Priority Order Site and all areas affected by migration of such substances emanating from the Priority Order Site), and except as specifically provided in Section X (Reservation of Rights), upon the Effective Date, the Governments covenant not to sue or assert any administrative or other civil claims or causes of action against Debtors under CERCLA, RCRA, and State environmental statutes, as well as any other environmental liabilities asserted in the EPA Proof of Claim or the State Proof of Claim.

13. With respect to the Priority Order Site, except as specifically provided in Section X (Reservation of Rights), the EPA Proof of Claim and the State Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Wheeler Pit Settlement Agreement, the Governments shall not be entitled to file any further claims under CERCLA, RCRA, or State environmental statutes, as well as any other environmental liabilities asserted in the EPA Proof of Claim or the State Proof of Claim, whether unsecured, secured, administrative priority or otherwise, and the Governments shall not receive any other distributions in the Bankruptcy Cases on account of such claims.

14. These covenants not to sue in Section IX (and the reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

15. The covenants not to sue contained in this Wheeler Pit Settlement Agreement extend only to Debtors and the persons described in Paragraph 14 above and do not extend to any other person or entity. Nothing in this Wheeler Pit Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, Wisconsin, and the persons or entities described in Paragraph 14. Except as provided in Paragraph 14, the United States, Wisconsin, and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States, Wisconsin, or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

16. Debtors covenant not to sue and agree not to assert claims or causes of action against the United States or Wisconsin with respect to the Priority Order Site, including but not limited to any direct or indirect claim for reimbursement from (i) the Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113, 42 U.S.C. §§ 9606(b), 9607, 9611, 9612, 9613, or (ii) any other provision of federal or state law; any claims against the United States or Wisconsin, including any of their departments, agencies or instrumentalities pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. §§ 9607, 9613, or State environmental statutes; and any claims arising out of the response activities at the Priority Order Site. Nothing in this Wheeler Pit Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

X. RESERVATION OF RIGHTS

17. The covenants not to sue set forth in Section IX do not apply to any matters other than those expressly specified therein. The United States and Wisconsin reserve, and this Wheeler Pit Settlement Agreement is without prejudice to, all rights against Debtors or other persons or entities with respect to all matters other than those set forth in Section IX. The United States and Wisconsin also specifically reserve all rights against Debtors with respect to:

- (i) any action to enforce their rights under this Wheeler Pit Settlement Agreement;
- (ii) any claim or cause of action for response costs and injunctive relief under CERCLA Sections 106 and 107, RCRA Sections 3008, 7002 and 7003 or state environmental law for future acts taken by the Debtors after the Effective Date that create liability under CERCLA, RCRA, or state law;
- (iii) criminal liability; and
- (iv) all rights with respect to any site that is not the Priority Owned Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States and Wisconsin also reserve, and this Wheeler Pit Settlement Agreement is without prejudice to any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, RCRA Sections 7002 and 7003, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

18. Nothing in this Wheeler Pit Settlement Agreement shall be deemed to limit the authority of the Governments to take response action under Section 104 of CERCLA, 42 U.S.C.

§ 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority. Nothing in this Wheeler Pit Settlement Agreement shall be deemed to limit the information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

19. Except as provided in Paragraph 14, nothing in this Wheeler Pit Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in paragraph 14, nothing in this Wheeler Pit Settlement Agreement diminishes the rights of the Governments, pursuant Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2), or State environmental statutes. Except as provided in Paragraph 14, the Governments expressly reserve all existing rights against all persons or entities not a party to this Wheeler Pit Settlement Agreement, including New GM. MLC reserves all rights against all persons or entities not a party hereto, including the right to dispute claims filed by parties or entities other than the Governments with respect to the Priority Order Site.

XI. CONTRIBUTION PROTECTION

20. The parties hereto agree, and by approving this Wheeler Pit Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Debtors are entitled, as of the

Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Settlement Agreement. The “matters addressed” in this Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) or any analogous Wisconsin law, include, without limitation, response costs incurred or to be incurred by EPA, Wisconsin, or potentially responsible parties or Claims with respect to the Priority Order Site.

21. Debtors agree that with respect to any suit for contribution brought against them after the Agreement Effective Date for matters related to this Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections IX and X (Covenants Not to Sue and Reservation of Rights)).

XII. NOTICES AND SUBMISSIONS

22. Whenever, under the terms of this Wheeler Pit Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Wheeler Pit Settlement Agreement, written notice as specified herein shall constitute complete satisfaction of any written notice requirement in the Settlement Agreement with respect to the United States, Wisconsin, and MLC, REALM, and ENCORE, respectively.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**CONSENT DECREE AND SETTLEMENT AGREEMENT BETWEEN
THE DEBTORS, THE UNITED STATES OF AMERICA
AND THE STATE OF IOWA**

I. BACKGROUND

WHEREAS, Motors Liquidation Company (f/k/a General Motors Corp.) (“MLC”), a Delaware corporation, and certain of its affiliates commenced these chapter 11 cases by filing with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) on June 1, 2009, and on October 9, 2009, Remediation and Liability Management Company (“REALM”) and Environmental Corporate Remediation Company, Inc. (“ENCORE”) commenced these chapter 11 cases by filing with the Bankruptcy Court voluntary petitions for relief under the Bankruptcy Code, which cases have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “Bankruptcy Cases”);

WHEREAS, on June 1, 2009, General Motors Corp. also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, General Motors Corp. excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, following the sale of assets, General Motors Corp. was renamed Motors Liquidation Company (“MLC”), and has continued to own and manage the real property assets excluded from the sale to Newco;

WHEREAS, the State of Iowa (“Iowa”), on behalf of the Iowa Department of Natural Resources Agency (“IDNR”) contends that MLC is liable under Iowa Code section 455B.186(1); 567 Iowa Admin. Code 38.3(1) and 51.6; Consent Order for RD/RA No. 2004-HC-06 (“Consent Order”), and Consent Order, Judgment and Decree, Law No. CVCV136444 (“Consent Decree”) to comply with injunctive orders and for costs incurred and to be incurred by Iowa in response to releases and threats of releases of hazardous substances at or in connection with the GM AC Rochester Division Site in Sioux City, Iowa (the “Priority Order Site”);

WHEREAS, the United States of America (the “United States”), on behalf of the United States Environmental Protection Agency (“EPA”), contends that MLC is liable under applicable environmental law to perform response action at the Priority Order Site;

WHEREAS, Iowa, on behalf of IDNR, has filed a proof of claim in the Bankruptcy Cases (Claim No. 50629) (the “State Proof of Claim”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, Iowa, acting on behalf of IDNR, contends that on August 29, 2007, the Iowa District Court for Woodbury County, Iowa entered a Consent Decree that required General Motors Corp. (“GM”) to perform the corrective measures determined by IDNR to be necessary to address the immediate health threats posed by hazardous substances in the soil and groundwater at the Priority Order Site;

WHEREAS, Iowa, on behalf of IDNR, contends that MLC is liable for injunctive obligations and claims set forth in the State Proof of Claim;

WHEREAS, Iowa, on behalf of IDNR, contends that MLC's injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the Consent Decree;

WHEREAS, Iowa, on behalf of IDNR, contends that MLC is obligated to reimburse the State of Iowa for future response actions and costs to be incurred under Iowa Code section 455B.186(1), 567 Iowa Admin. Code 38.3(1) and 51.6, the Consent Order, and the Consent Decree with respect to the Priority Order Site, plus interest;

WHEREAS, MLC does not accept as true all of the allegations in the State Proof of Claim referenced above, but has concluded that further litigation or estimation proceedings are not in the best interests of the Debtors and their estates, and that this Sioux City Site Settlement Agreement is an appropriate means of resolving these matters;

WHEREAS, the parties hereto wish to resolve Iowa's claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the State Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, the "Plan") that incorporates this Sioux City Site Settlement Agreement as a Priority Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in the event that this Sioux City Site Settlement Agreement is not approved by the Bankruptcy Court, the parties reserve the right to propose that the cash payment provided for in Paragraph 4 be paid to the Cushion Funding Account as defined by the Environmental Response Trust Consent Decree and Settlement Agreement among Debtors, the Administrative Trustee, the United States, and Certain States, lodged October 20, 2010;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, Iowa and MLC agree to the terms and provisions of this Sioux City Site Settlement Agreement;

WHEREAS, settlement of the matters governed by this Sioux City Site Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Sioux City Site Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

Notwithstanding the foregoing, MLC agrees to comply with all terms of this Sioux City Site Settlement Agreement upon the Effective Date.

VII. COVENANTS NOT TO SUE

9. With respect to the Priority Order Site (including the releases of Hazardous Substances from any portion of the Priority Order Site and all areas affected by migration of such substances

emanating from the Priority Order Site), and except as specifically provided in Section VIII (Reservation of Rights), upon the Effective Date, the United States, on behalf of EPA, and Iowa, on behalf of IDNR (collectively, “the Governments”), covenant not to sue or assert any administrative or other civil claims or causes of action against Debtors under CERCLA, RCRA, and State environmental statutes, as well as any other environmental liabilities asserted in the State Proof of Claim.

10. With respect to the Priority Order Site, except as specifically provided in Section VIII (Reservation of Rights), the State Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Sioux City Site Settlement Agreement, the Governments shall not be entitled to file any further claims under CERCLA, RCRA, or State environmental statutes, as well as any other environmental liabilities asserted in the State Proof of Claim, whether unsecured, secured, administrative priority or otherwise, and the Governments shall not receive any other distributions in the Bankruptcy Cases on account of such claims.

11. These covenants not to sue in Section VII (and the reservations thereto) shall also apply to Debtors’ successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

12. The covenants not to sue contained in this Sioux City Site Settlement Agreement extend only to Debtors and the persons described in Paragraph 11 above and do not extend to any other person or entity. Nothing in this Sioux City Site Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, Iowa, and the persons or entities described in Paragraph 11. Except as provided in Paragraph 11, the United

States, Iowa and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States, Iowa or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

13. Debtors covenant not to sue and agree not to assert claims or causes of action against the United States or Iowa with respect to the Priority Order Site, including but not limited to any direct or indirect claim for reimbursement from (i) the Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113, 42 U.S.C. §§ 9606(b), 9607, 9611, 9612, 9613, or (ii) any other provision of federal or state law; any claims against the United States or Iowa, including any of their departments, agencies or instrumentalities pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. §§ 9607, 9613, or State environmental statutes; and any claims arising out of the response activities at the Priority Order Site. Nothing in this Sioux City Site Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

VIII. RESERVATION OF RIGHTS

14. The covenants not to sue set forth in Section VII do not apply to any matters other than those expressly specified therein. The United States and Iowa reserve, and this Sioux City Site Settlement Agreement is without prejudice to, all rights against Debtors or other persons or entities with respect to all matters other than those set forth in Section VII. The United States and Iowa also specifically reserve all rights against Debtors with respect to:

- (i) any action to enforce their rights under this Sioux City Site Settlement Agreement;
- (ii) any claim or cause of action for response costs and injunctive relief under CERCLA Sections 106 and 107, RCRA Sections 3008, 7002 and 7003, or state environmental law for future acts taken by the Debtors after the Effective Date that create liability under CERCLA, RCRA, or state law;
- (iii) criminal liability; and
- (iv) all rights with respect to any site that is not the Priority Order Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States and Iowa also reserve, and this Sioux City Site Settlement Agreement is without prejudice to, any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, RCRA Sections 7002 and 7003, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

15. Nothing in this Sioux City Site Settlement Agreement shall be deemed to limit the authority of the Governments to take response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority. Nothing in this Sioux City Site Settlement Agreement shall be deemed to limit the information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse

Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

16. Except as provided in Paragraph 11, nothing in this Sioux City Site Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in Paragraph 11, nothing in this Sioux City Site Settlement Agreement diminishes the rights of the Governments, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2), or State environmental statutes. Except as provided in Paragraph 11, the Governments expressly reserve all existing rights against all persons or entities not a party to this Sioux City Site Settlement Agreement, including New GM. MLC reserves all rights against all persons or entities not a party hereto, including the right to dispute claims filed by parties or entities other than the Governments with respect to the Priority Order Site.

IX. CONTRIBUTION PROTECTION

17. The parties hereto agree, and by approving this Sioux City Site Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) and any analogous Iowa law, and that Debtors are entitled, as of the Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Sioux City Site Settlement Agreement. The “matters addressed” in this Sioux City Site Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) or any analogous Iowa law, include, without

limitation, response costs incurred or to be incurred by Iowa, the United States, or potentially responsible parties or Claims with respect to the Priority Order Site.

18. Debtors agree that with respect to any suit for contribution brought against them after the Agreement Effective Date for matters related to this Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections VII and VIII (Covenants Not to Sue and Reservation of Rights)).

X. NOTICES AND SUBMISSIONS

19. Whenever, under the terms of this Sioux City Site Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Sioux City Site Settlement Agreement, written notice as specified herein shall constitute complete satisfaction of any written notice requirement in the Settlement Agreement with respect to the United States, Iowa and MLC, REALM, and ENCORE, respectively.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**CONSENT DECREE AND SETTLEMENT AGREEMENT BETWEEN
THE DEBTORS, THE UNITED STATES OF AMERICA,
AND THE STATE OF INDIANA**

I. BACKGROUND

WHEREAS, Motors Liquidation Company (f/k/a General Motors Corp. (“GM”)) (“MLC”), a Delaware corporation, and certain of its affiliates commenced these chapter 11 cases by filing with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) on June 1, 2009, and on October 9, 2009, Remediation and Liability Management Company (“REALM”) and Environmental Corporate Remediation Company, Inc. (“ENCORE”) commenced these chapter 11 cases by filing with the Bankruptcy Court voluntary petitions for relief under the Bankruptcy Code, which cases have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “Bankruptcy Cases”);

WHEREAS, on June 1, 2009, GM also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, GM excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, following the sale of assets, GM was renamed Motors Liquidation Company (“MLC”), and has continued to own and manage the real property assets excluded from the sale to Newco;

WHEREAS, the United States of America (the “United States”), on behalf of the United States Environmental Protection Agency (“EPA”), and the State of Indiana, on behalf of the State of Indiana Department of Environmental Management (“IDEM”) (collectively, the “Governments”), contend that MLC is liable under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. §§ 9601, et seq., and the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901, et seq., (“RCRA”), to comply with injunctive orders and for costs incurred and to be incurred by the Governments in response to releases and threats of releases of hazardous substances at or in connection with the Delphi E&E Management System Site on South Scatterfield Road, Anderson, Indiana (the “Priority Order Site”);

WHEREAS, the United States, on behalf of EPA, has filed a proof of claim in the Bankruptcy Cases (Claim No. 64064) (the “EPA Proof of Claim”) against MLC, which includes claims and protective claims regarding, *inter alia*, the Priority Order Site;

WHEREAS, Indiana, on behalf of Indiana Department of Environmental Management (“IDEM”), has filed a proof of claim in the Bankruptcy Cases (Claim No. 59181) (the “State Proof of Claim”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, the United States, acting on behalf of EPA, and Indiana, acting on behalf of IDEM, contend that on May 8, 2002, GM signed an Administrative Consent Agreement and Final Order under RCRA that required GM to perform the corrective measures determined by

EPA to be necessary to address the immediate health threats posed by hazardous substances in the soil and groundwater at the Priority Order Site;

WHEREAS, the United States, on behalf of EPA, contends that MLC is liable for injunctive obligations and claims set forth in the EPA Proof of Claim;

WHEREAS, the United States alleges in the EPA Proof of Claim that MLC's injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the Administrative Consent Agreement and Final Order;

WHEREAS, in the State Proof of Claim, Indiana alleges that MLC is obligated to reimburse Indiana for future response actions and costs to be incurred with respect to the Priority Order Site, plus interest;

WHEREAS, MLC does not admit all of the allegations in the EPA and State Proofs of Claim referenced above, but has concluded that further litigation or estimation proceedings are not in the best interests of the Debtors and their estates, and that this Scatterfield Settlement Agreement is an appropriate means of resolving these matters;

WHEREAS, the parties hereto wish to resolve the Governments' claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the EPA Proof of Claim and the State Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, the “Plan”) that incorporates this Scatterfield Settlement Agreement as a Priority Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in the event that this Scatterfield Settlement Agreement is not approved by the Bankruptcy Court, the Parties reserve the right to propose that the cash payment provided for in Paragraph 4 be paid to the Cushion Funding Account as defined by the Environmental Response Trust Consent Decree and Settlement Agreement among Debtors, the Administrative Trustee, the United States, and Certain States, lodged October 20, 2010;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the United States, Indiana, and MLC agree to the terms and provisions of this Scatterfield Settlement Agreement;

WHEREAS, settlement of the matters governed by this Scatterfield Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Scatterfield Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

Notwithstanding the foregoing, MLC agrees to comply with all terms of this Scatterfield Settlement Agreement upon the Effective Date.

VII. COVENANTS NOT TO SUE

8. With respect to the Priority Order Site (including the releases of Hazardous Substances from any portion of the Priority Order Site and all areas affected by migration of such substances emanating from the Priority Order Site), and except as specifically provided in Section VIII (Reservation of Rights), upon the Effective Date, the United States, on behalf of EPA, and Indiana, on behalf of IDEM, covenant not to sue or assert any administrative or other civil claims or causes of action against Debtors under CERCLA, RCRA, and State environmental statutes, statutes, as well as any other environmental liabilities asserted in the EPA Proof of Claim or the State Proof of Claim.

9. With respect to the Priority Order Site, except as specifically provided in Section VIII (Reservation of Rights), the EPA Proof of Claim and the State Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Scatterfield Settlement Agreement, the Governments shall not be entitled to file any further claims under CERCLA, RCRA, or State environmental statutes, as well as any other environmental liabilities asserted in the Governments' Proofs of Claim, whether unsecured, secured, administrative priority or otherwise, and the Governments shall not receive any other distributions in the Bankruptcy Cases on account of such claims.

10. These covenants not to sue in Section VII (and the reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

11. The covenants not to sue contained in this Scatterfield Settlement Agreement extend only to Debtors and the persons described in Paragraph 10 above and do not extend to any other

person or entity. Nothing in this Scatterfield Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, Indiana, and the persons or entities described in Paragraph 10. Except as provided in Paragraph 10, the United States, Indiana, and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States, Indiana, or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

12. Debtors covenant not to sue and agree not to assert claims or causes of action against the United States or Indiana with respect to the Priority Order Site, including but not limited to any direct or indirect claim for reimbursement from (i) the Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113, 42 U.S.C. §§ 9606(b), 9607, 9611, 9612, 9613, or (ii) any other provision of federal or state law; any claims against the United States or Indiana, including any of their departments, agencies or instrumentalities pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. §§ 9607, 9613, or State environmental statutes; and any claims arising out of the response activities at the Priority Order Site. Nothing in this Scatterfield Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

VIII. RESERVATION OF RIGHTS

13. The covenants not to sue set forth in Section VII do not apply to any matters other than those expressly specified therein. The United States and Indiana reserve, and this Scatterfield Settlement Agreement is without prejudice to, all rights against Debtors or other persons or

entities with respect to all matters other than those set forth in Section VII. The United States and Indiana also specifically reserve all rights against Debtors with respect to:

- (i) any action to enforce their rights under this Scatterfield Settlement Agreement;
- (ii) any claim or cause of action for response costs and injunctive relief under CERCLA Sections 106 and 107, RCRA Sections 3008, 7002 and 7003 or state environmental law for future acts taken by the Debtors after the Effective Date that create liability under CERCLA, RCRA, or state law;
- (iii) criminal liability; and
- (iv) all rights with respect to any site that is not the Priority Order Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States and Indiana also reserve, and this Scatterfield Settlement Agreement is without prejudice to, any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, RCRA Sections 7002 and 7003, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

14. Nothing in this Scatterfield Settlement Agreement shall be deemed to limit the authority of the Governments to take response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority. Nothing in this Scatterfield Settlement Agreement shall be deemed to limit the information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42

U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

15. Except as provided in Paragraph 10, nothing in this Scatterfield Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in Paragraph 10, nothing in this Scatterfield Settlement Agreement diminishes the rights of the Governments, pursuant Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2), or State environmental statutes. Except as provided in Paragraph 10, the Governments expressly reserve all existing rights against all persons or entities not a party to this Scatterfield Settlement Agreement, including New GM. MLC reserves all rights against all persons or entities not a party hereto, including the right to dispute claims filed by parties or entities other than the Governments with respect to the Priority Order Site.

IX. CONTRIBUTION PROTECTION

16. The parties hereto agree, and by approving this Scatterfield Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and any analogous Indiana law, and that Debtors are entitled, as of the Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Scatterfield Settlement Agreement. The “matters addressed” in this Scatterfield Settlement Agreement, as that phrase is used in Section

113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or any analogous Indiana law, include, without limitation, response costs incurred or to be incurred by EPA, Indiana, or potentially responsible parties or Claims with respect to the Priority Order Site.

17. Debtors agree that with respect to any suit for contribution brought against them after the Scatterfield Settlement Agreement Effective Date for matters related to this Scatterfield Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections VII and VIII (Covenants Not to Sue and Reservation of Rights)).

X. NOTICES AND SUBMISSIONS

18. Whenever, under the terms of this Scatterfield Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Scatterfield Settlement Agreement, written notice as specified herein shall constitute complete satisfaction of any written notice requirement in the Settlement Agreement with respect to the United States, Indiana, and MLC, REALM, and ENCORE, respectively.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**CONSENT DECREE AND SETTLEMENT AGREEMENT BETWEEN
THE DEBTORS, THE UNITED STATES OF AMERICA,
AND THE STATE OF OHIO**

I. BACKGROUND

WHEREAS, Motors Liquidation Company (f/k/a General Motors Corp.) (“MLC”), a Delaware corporation, and certain of its affiliates commenced these chapter 11 cases by filing with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) on June 1, 2009, and on October 9, 2009, Remediation and Liability Management Company (“REALM”) and Environmental Corporate Remediation Company, Inc. (“ENCORE”) commenced these chapter 11 cases by filing with the Bankruptcy Court voluntary petitions for relief under the Bankruptcy Code, which cases have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “Bankruptcy Cases”);

WHEREAS, on June 1, 2009, General Motors Corp. also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, General Motors Corp. excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, following the sale of assets, General Motors Corp. was renamed Motors Liquidation Company (“MLC”), and has continued to own and manage the real property assets excluded from the sale to Newco;

WHEREAS, the United States of America (the “United States”), on behalf of the United States Environmental Protection Agency (“EPA”), and the State of Ohio, on behalf of the State of Ohio Environmental Protection Agency (“OHIO EPA”) (collectively, the “Governments”), contend that MLC is liable under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. §§ 9601, et seq., and the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901, et seq., (“RCRA”), to comply with injunctive orders and for costs incurred and to be incurred by the Governments in response to releases and threats of releases of hazardous substances at or in connection with the Delphi Harrison Thermal Systems Site in Dayton, Montgomery County, Ohio (the “Priority Order Site”);

WHEREAS, the United States, on behalf of EPA, has filed a proof of claim in the Bankruptcy Cases (Claim No. 64064) (the “EPA Proof of Claim”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, the United States, acting on behalf of EPA, and Ohio, acting on behalf of OHIO EPA, contend that on May 22, 2001, EPA and GM entered into a Voluntary Corrective Action Agreement that required GM to conduct a RCRA Facility Investigation (“RFI”), and based on the results of the RFI to perform the corrective measures selected by EPA as necessary to address the health threats posed by volatile organic compounds (“VOCs”), polychlorinated biphenyls (“PCBs”), and metals in the soil and groundwater at the Priority Order Site;

WHEREAS, the United States, on behalf of EPA, contends that MLC is liable for injunctive obligations and claims set forth in the EPA Proof of Claim;

WHEREAS, the United States alleges in the EPA Proof of Claim that MLC's injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the Voluntary Corrective Action Agreement;

WHEREAS, the United States also alleges in the EPA Proof of Claim that MLC is obligated to reimburse the United States for future response actions and costs to be incurred under CERCLA with respect to the Priority Order Site, plus interest;

WHEREAS, MLC does not accept as true all of the allegations in the EPA Proof of Claim referenced above, but has concluded that further litigation or estimation proceedings are not in the best interests of the Debtors and their estates, and that this Delphi Harrison Settlement Agreement is an appropriate means of resolving these matters;

WHEREAS, the parties hereto wish to resolve the Governments' claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the EPA Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, the "Plan") that incorporates this Delphi Harrison Settlement Agreement as a Priority Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in the event that this Delphi Harrison Settlement Agreement is not approved by the Bankruptcy Court, the Parties reserve the right to propose that the cash payment provided for in Paragraph 4 be paid to the Cushion Funding Account as defined by the Environmental Response Trust Consent Decree and Settlement Agreement among Debtors, the Administrative Trustee, the United States, and Certain States, lodged October 20, 2010;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the United States, Ohio, and MLC agree to the terms and provisions of this Delphi Harrison Settlement Agreement;

WHEREAS, settlement of the matters governed by this Delphi Harrison Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Delphi Harrison Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

Notwithstanding the foregoing, MLC

agrees to comply with all terms of this Delphi Harrison Settlement Agreement upon the Effective Date.

VII. COVENANTS NOT TO SUE

9. With respect to the Priority Order Site (including the releases of Hazardous Substances from any portion of the Priority Order Site and all areas affected by migration of such substances emanating from the Priority Order Site), and except as specifically provided in Section X (Reservation of Rights), upon the Effective Date, the United States, on behalf of EPA, and Ohio, on behalf of Ohio EPA, covenant not to sue or assert any administrative or other civil claims or causes of action against Debtors under CERCLA, RCRA, and State environmental statutes, as well as any other environmental liabilities asserted in the EPA Proof of Claim.

10. With respect to the Priority Order Site, except as specifically provided in Section VIII (Reservation of Rights), the EPA Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Delphi Harrison Settlement Agreement, the Governments shall not be entitled to file any further claims under CERCLA, RCRA, or State environmental statutes as well as any other environmental liabilities asserted in the EPA Proof of Claim, whether unsecured, secured, administrative priority or otherwise, and the Governments shall not receive any other distributions in the Bankruptcy Cases on account of such claims regarding the Priority Order Site.

11. These covenants not to sue in Section VII (and the reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

12. The covenants not to sue contained in this Delphi Harrison Settlement Agreement extend only to Debtors and the persons described in Paragraph 11 above and do not extend to any other person or entity. Nothing in this Delphi Harrison Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, Ohio, and the persons or entities described in Paragraph 11. Except as provided in Paragraph 11, the United States, Ohio, and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States, Ohio, or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

13. Debtors covenant not to sue and agree not to assert claims or causes of action against the United States or Ohio with respect to the Priority Order Site, including but not limited to any direct or indirect claim for reimbursement from (i) the Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113, 42 U.S.C. §§ 9606(b), 9607, 9611, 9612, 9613, or (ii) any other provision of federal or state law; any claims against the United States or Ohio, including any of their departments, agencies or instrumentalities pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. §§ 9607, 9613, or State environmental statutes; and any claims arising out of the response activities at the Priority Order Site. Nothing in this Delphi Harrison Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

VIII. RESERVATION OF RIGHTS

14. The covenants not to sue set forth in Section VII do not apply to any matters other than those expressly specified therein. The United States and Ohio reserve, and this Delphi Harrison Settlement Agreement is without prejudice to, all rights against Debtors or other persons or entities with respect to all matters other than those set forth in Section VII. The United States and Ohio also specifically reserve all rights against Debtors with respect to:

- (i) any action to enforce their rights under this Delphi Harrison Settlement Agreement;
- (ii) any claim or cause of action for response costs and injunctive relief under CERCLA Sections 106 and 107, RCRA Sections 3008, 7002 and 7003 or state environmental law for future acts taken by the Debtors after the Effective Date that create liability under CERCLA, RCRA, or state law;
- (iii) criminal liability; and
- (iv) all rights with respect to any site that is not the Priority Order Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States and Ohio also reserve, and this Delphi Harrison Settlement Agreement is without prejudice to, any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, RCRA Sections 7002 and 7003, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

15. Nothing in this Delphi Harrison Settlement Agreement shall be deemed to limit the authority of the Governments to take response action under Section 104 of CERCLA, 42 U.S.C.

§ 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority. Nothing in this Delphi Harrison Settlement Agreement shall be deemed to limit the information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

16. Except as provided in Paragraph 11, nothing in this Delphi Harrison Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in Paragraph 11, nothing in this Delphi Harrison Settlement Agreement diminishes the rights of the Governments, pursuant Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2), or State environmental statutes. Except as provided in Paragraph 11, the Governments expressly reserve all existing rights against all persons or entities not a party to this Delphi Harrison Settlement Agreement, including New GM. MLC reserves all rights against all persons or entities not a party hereto, including the right to dispute claims filed by parties or entities other than the Governments with respect to the Priority Order Site.

IX. CONTRIBUTION PROTECTION

17. The parties hereto agree, and by approving this Delphi Harrison Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) and any analogous Ohio law, and

that Debtors are entitled, as of the Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Delphi Harrison Settlement Agreement. The “matters addressed” in this Delphi Harrison Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), include, without limitation, response costs incurred or to be incurred by EPA, Ohio, or potentially responsible parties or Claims with respect to the Priority Order Site.

18. Debtors agree that, with respect to any suit for contribution brought against them after the Agreement Effective Date for matters related to this Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections VII and VIII (Covenants Not to Sue and Reservation of Rights)).

X. NOTICES AND SUBMISSIONS

19. Whenever, under the terms of this Delphi Harrison Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. written notice requirement in the Settlement Agreement with respect to the United States, Ohio, and MLC, REALM, and ENCORE, respectively.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**CONSENT DECREE AND SETTLEMENT AGREEMENT BETWEEN
THE DEBTORS AND THE UNITED STATES OF AMERICA**

I. BACKGROUND

WHEREAS, Motors Liquidation Company (f/k/a General Motors Corp.) (“MLC”), a Delaware corporation, and certain of its affiliates commenced these chapter 11 cases by filing with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) on June 1, 2009, and on October 9, 2009, Remediation and Liability Management Company (“REALM”) and Environmental Corporate Remediation Company, Inc. (“ENCORE”) commenced these chapter 11 cases by filing with the Bankruptcy Court voluntary petitions for relief under the Bankruptcy Code, which cases have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “Bankruptcy Cases”);

WHEREAS, on June 1, 2009, General Motors Corp. also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, General Motors Corp. excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, following the sale of assets, General Motors Corp. was renamed Motors Liquidation Company (“MLC”), and has continued to own and manage the real property assets excluded from the sale to Newco;

WHEREAS, the United States of America (the “United States” or the “Government”), on behalf of the United States Environmental Protection Agency (“EPA”), contend that MLC is liable under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. §§ 9601, et seq., to comply with injunctive orders and for costs incurred and to be incurred by the Government in response to releases and threats of releases of hazardous substances at or in connection with the Harvey & Knott Drum Superfund Site in New Castle County, Delaware (the “Priority Order Site”);

WHEREAS, the United States, on behalf of EPA, has filed a proof of claim in the Bankruptcy Cases (Claim No. 64064) (the “EPA Proof of Claim”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, the United States, acting on behalf of EPA, contends that General Motors Corp. (“GM”) was required to conduct a remedial action pursuant to a Consent Decree issued on October 19, 1987, by the United States District Court for the District of Delaware (the “Consent Decree”);

WHEREAS, the United States, acting on behalf of EPA, contends that the Consent Decree required GM to undertake the remedial actions set forth in an EPA Record of Decision, dated September 30, 1985, for the Priority Order Site to address the immediate health threats posed by polychlorinated biphenyls (“PCBs”), benzene, ethylbenzene, methylene chloride, toluene,

xylenes, bis(2-ethylhexyl) phthalate, cadmium, chromium and lead in the soil and groundwater at the Priority Order Site;

WHEREAS, the United States, on behalf of EPA, contends that MLC is the successor to GM and therefore is liable to the Government pursuant to CERCLA Section 107(a), 42 U.S.C. § 9607(a);

WHEREAS, the United States, on behalf of EPA, contends that MLC is liable for injunctive obligations and claims set forth in the EPA Proof of Claim;

WHEREAS, the United States alleges in the EPA Proof of Claim that MLC's injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the Consent Decree;

WHEREAS, the United States also alleges in the EPA Proof of Claim that MLC is obligated to reimburse the United States for past and future response actions and response costs incurred and to be incurred under CERCLA with respect to the Priority Order Site, plus interest;

WHEREAS, EPA estimates that it will incur significant future response costs at the Priority Order Site and estimates that future oversight at the Priority Order Site will cost at least \$377,063;

WHEREAS, MLC does not accept as true all of the allegations in the EPA Proof of Claim referenced above, but has concluded that further litigation or estimation proceedings are not in the best interests of the Debtors and their estates, and that this Harvey & Knott Settlement Agreement is an appropriate means of resolving these matters;

WHEREAS, the parties hereto wish to resolve the Government's claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the EPA Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, the "Plan") that incorporates this Harvey & Knott Settlement Agreement as a Priority Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in the event that this Harvey & Knott Settlement Agreement is not approved by the Bankruptcy Court, the Parties reserve the right to propose that the cash payment provided for in Paragraph 4 be paid to the Cushion Funding Account as defined by the Environmental Response Trust Consent Decree and Settlement Agreement among Debtors, the Administrative Trustee, the United States, and Certain States, lodged October 20, 2010;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the United States and MLC agree to the terms and provisions of this Harvey & Knott Settlement Agreement;

WHEREAS, settlement of the matters governed by this Harvey & Knott Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Harvey & Knott Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

13. With respect to the Priority Order Site, except as specifically provided in Section X (Reservation of Rights), the EPA Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Harvey & Knott Settlement Agreement, the Government shall not be entitled to file any further claims under CERCLA, or RCRA, as well as any other environmental liabilities asserted in the EPA Proof of Claim, whether unsecured, secured, administrative priority or otherwise, and the Government shall not receive any other distributions in the Bankruptcy Cases on account of such claims.

14. These covenants not to sue in Section IX (and the reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee,

or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

15. The covenants not to sue contained in this Harvey & Knott Settlement Agreement extend only to Debtors and the persons described in Paragraph 14 above and do not extend to any other person or entity. Nothing in this Harvey & Knott Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, and the persons or entities described in Paragraph 14. Except as provided in Paragraph 14, the United States and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

Nothing in this Harvey & Knott Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

X. RESERVATION OF RIGHTS

17. The covenants not to sue set forth in Section IX do not apply to any matters other than those expressly specified therein. The United States reserves, and this Harvey & Knott Settlement Agreement is without prejudice to, all rights against Debtors or other persons or entities with respect to all matters other than those set forth in Section IX. The United States also specifically reserves all rights against Debtors with respect to:

- (iii) criminal liability;
- (iv) any general unsecured claim arising from damages or injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments; and
- (v) all rights with respect to any site that is not the Priority Order Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States also reserves, and this Harvey & Knott Settlement Agreement is without prejudice to, any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, 42 U.S.C. §§ 9606, 9607, RCRA Sections 7002 and 7003, 42 U.S.C. §§ 6972, 6973, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not

include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

18. Nothing in this Harvey & Knott Settlement Agreement shall be deemed to limit the authority of the Government to take response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the United States pursuant to such authority. Nothing in this Harvey & Knott Settlement Agreement shall be deemed to limit the information-gathering authority of the United States under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

19. Except as provided in Paragraph 14, nothing in this Harvey & Knott Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in Paragraph 14, nothing in this Harvey & Knott Settlement Agreement diminishes the rights of the United States, pursuant Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or State environmental statutes. Except as provided in Paragraph 14, the United States expressly reserves all existing rights against all persons or entities not a party to this Harvey & Knott Settlement Agreement, including New GM.

XI. CONTRIBUTION PROTECTION

20. The parties hereto agree, and by approving this Harvey & Knott Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Debtors are entitled, as of the Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Harvey & Knott Settlement Agreement. The “matters addressed” in this Harvey & Knott Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) or any analogous Delaware law, include, without limitation, response costs incurred or to be incurred by EPA or potentially responsible parties or Claims with respect to the Priority Order Site.

21. Debtors agree that with respect to any suit for contribution brought against them after the Agreement Effective Date for matters related to this Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections IX and X (Covenants Not to Sue and Reservation of Rights)).

XII. NOTICES AND SUBMISSIONS

22. Whenever, under the terms of this Harvey & Knott Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of

address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided.
